

Remarks

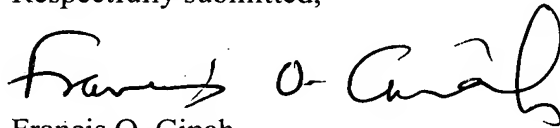

Applicants provide amendments herein which are believed to comply with the substance of the Advisory Action dated May 4, 2004 and also believed to represent the agreed upon action items resulting from a telephonic interview with the Examiner on May 18, 2004.

Specifically, Applicants have amended Claim 1 to remove the specie R_{12} is $(CH_2)_m$. Applicants have also cancelled Claim 23.

The Examiner stated that these actions, if taken, would appear to place the pending claims in condition for allowance.

Applicants thank the Examiner for the opportunity to interview. Applicants invite the Examiner to provide corrections should the statements herein not comport with her understanding of the results of the interview.

Respectfully submitted,
